JANUARY 19th MEETING

The January 19th meeting of the Stonewall Jackson Amateur Radio Association was held at the Red Cross Building on W. Pike Street in Clarksburg. The meeting was called to order by KB8RIA, Paul Howe with those in attendance giving their call sign and introducing themselves. Also in attendance were members of the Doddridge County Radio Club.

After some delay and with assistance from KC8AJH, the program Disaster Service Training was presented by the Red Cross. The program is also available online at the Red Cross web site.

After the program, volunteers for net controls were selected.

Some club members viewed the room where the rig to be donated by N8FMD is to be located. The meeting was adjourned and the Red Cross served refreshments.

13 members and 8 guest present for the meeting.

EMAIL FROM RED CROSS TO CLUB

Dave, this email is from Diana George, Red Cross. Why don't we include the Class Description and Schedule in the newsletter? We can discuss during the meeting if we want to act individually to sign up or do it as a group. At least in the news letter, those who didn't make it to the meeting will have a copy they could act upon, if they choose.

Local phone number for Red Cross is 624-7689 or xxx-7690. Connie Hull, the emergency services director, is the full time employee point of contact for these classes in Clarksburg. Diana, remember, is an active volunteer from Fairmont.
